

CILT(UK) Level 3 Certificate in Logistics and Transport (QCF)

CILT(UK) Level 3 Certificate in Logistics and Transport (QCF)

CILT qualifications offer professionals at every level and in every sector of the industry an opportunity to gain professional recognition of their knowledge and experience.

Nationally recognised and accredited by the Office of the Qualifications and Examinations Regulator (Ofqual), these qualifications are designed to raise standards and to demonstrate both professional and personal achievements.

The Level 3 Certificate in Logistics and Transport (QCF) provides the opportunity for experienced practitioners to gain a qualification demonstrating their competency in Logistics and transport.

Who is the CILT(UK) Level 3 Certificate (QCF) for?

- New or first-line managers, aspiring first-line supervisors and those wishing to make a career change
- Experienced supervisors, first-line managers

What are the entry requirements?

This qualification is open access and no prior qualifications are required. However, for the examination route it is recommended that individuals should be involved with contributing to the establishment of activity places to support logistics and transport operations and managing and controlling operational activities. For centre-assessed candidates, it is recommended that individuals should be practitioners establishing and supporting the above activities.

The course is comprised of two mandatory units and students can then choose to study one option unit from a choice of eight.

Units available:

Mandatory units:

- Business Theory
- Business Application

Optional units:

- Warehousing
- Inventory
- Passenger Transport Operations
- Procurement
- Freight Transport Operations
- Local Authority Passenger Transport Planning and Provision
- Supply Chain Operations
- Transport Planning

How long does the course take?

Each unit has 80 guided learning hours. For candidates taking the full qualification, the total guided learning for the course is 240 hours.
